Website Advertising

The new MPI New England website is up and running with rave reviews from our membership. So far, mpine.org has had an average of 70,000 hits per month. Take advantage of this great exposure by placing an advertisement on our site. All advertisements will now appear on the navigation bar, and will cycle from one to the next every 8 seconds. This ensures that visitors to the site will see your ad no matter what page they are viewing! What's more, advertising rates include an optional link to your web site.
